Dear Mr. Blau:

In response to our telephone conversation today and the Notice of Abandonment dated June 7, 2004 in the above application, I am faxing:

- A. Revised Amendment in response to the Office Action of October 10, 2003, mailed on November 10, 2003, and received in the Patent Office on November 20, 2003;
- B. Copy of return postcard stamped by the U.S. Patent Office on November 20, 2003.

It is my understanding that you were going to reverse the Notice of Abandonment upon receipt of the above response.

Very truly yours,

Dillis V. Allen
